# Insmed to Host Fourth Quarter and Full-Year 2007 Conference Call

RICHMOND, Va., Feb 19, 2008 /PRNewswire-FirstCall via COMTEX News Network/ -- Insmed Inc. (Nasdaq: INSM), a developer of follow-on biologics and biopharmaceuticals, today announced that it will host a conference call on Tuesday, March 4th at 8:30 AM ET, to discuss its results for the fourth quarter and full-year 2007. Insmed intends to issue its quarterly and full-year financial results press release before the market opens on March 4th.

To participate in the live conference call, please dial 800-510-0146 (U.S. callers) or 617-614-3449 (international), and provide passcode 84349393. A live webcast of the call will also be available at <http://phx.corporate-ir.net/playerlink.zhtml?c=122332&s=wm&e=1768582>. Please allow extra time prior to the webcast to register, download and install any necessary audio software.

The webcast will be archived for 30 days, and a telephone replay of the call will be available for seven days beginning at 10:30 AM ET on March 4th at 888-286-8010 (U.S. callers) or 617-801-6888 (international callers), using passcode 90757979.

## About Insmed

Insmed Inc. is a biopharmaceutical company with unique protein process development and manufacturing experience and a proprietary protein platform aimed at niche markets with unmet medical needs. For more information, please visit [www.insmed.com](http://www.insmed.com).

## Forward-Looking Statements

This release contains forward-looking statements which are made pursuant to provisions of Section 21E of the Securities Exchange Act of 1934. Investors are cautioned that such statements in this release, including statements relating to planned clinical study design, regulatory and business strategies, plans and objectives of management and growth opportunities for existing or proposed products, constitute forward-looking statements which involve risks and uncertainties that could cause actual results to differ materially from those anticipated by the forward-looking statements. The risks and uncertainties include, without limitation, risks that product candidates may fail in the clinic or may not be successfully marketed or manufactured, we may lack financial resources to complete development of product candidates, the FDA may interpret the results of studies differently than us, competing products may be more successful, demand for new pharmaceutical products may decrease, the biopharmaceutical industry may experience negative market trends, our entrance into the follow on biologics market may be unsuccessful, our common stock could be delisted from the Nasdaq Global Market and other risks and challenges detailed in our filings with the U.S. Securities and Exchange Commission, including our Quarterly Report on Form 10-Q for the quarter ended September 30, 2007. Readers are cautioned not to place undue reliance on any forward-looking statements which speak only as of the date of this release. We undertake no obligation to publicly release the results of any revisions to these forward-looking statements that may be made to reflect events or circumstances that occur after the date of this release or to reflect the occurrence of unanticipated events.
